

# MARYLAND JOINT INSURANCE ASSOCIATION

## OCEAN CITY SUPPLEMENTAL APPLICATION

This supplemental application must be filed with an application for property insurance on a structure located within the city limits of Ocean City, Maryland. Your application will not be further considered and coverage will not be provided by the Joint Insurance Association unless this supplemental application is completed in accordance with the instructions below.

Location of property: \_\_\_\_\_

If construction of the structure began before September 1, 1971, the applicant must so certify in the space below.

As the applicant or legal representative of the applicant for property insurance on the structure located as described above, I hereby certify that construction of that structure began prior to September 1, 1971.

\_\_\_\_\_  
Signature/Date

If construction of the structure began on or after September 1, 1971, the following certification must be signed by a local building inspector, contractor, engineer or architect.

I hereby certify that the structure located as described above is in substantial compliance with the Southern Standard Building Code including the design-wind requirement of the Code.
